# TRAVEL LIGHT

THE JOURNEY BEGINS **7/09**

Jump on board! Central Link is your newest way to get around Puget Sound.

Starting in July, comfortable, air-conditioned Link light rail trains will connect you to work, school, shopping and sporting events from downtown Seattle to Tukwila. Until trains connect with Sea-Tac Airport in late December, free connector buses will carry passengers directly from the Tukwila station to the airport terminal, just minutes away.

Trains start running at 5 a.m. every day except 6 a.m. Sunday and typically arrive every 10 minutes. During rush hours, trains operate even more frequently. Trains run until 1 a.m. every day except midnight on Sunday.

Riding Central Link is easy. Fares are distance-based and include a \$1.75 base fare plus \$.05 per mile. Youth and senior discounts apply.

For your safety, please remember that Link trains are fast, frequent and very quiet. Trains can run on any track, in any direction, at any time.

## June 2009

### **Central Link light rail opens this July**

The 13.9 mile line serving the Downtown Seattle Transit Tunnel, SODO, Beacon Hill, the Rainier Valley and Tukwila will open this July. By December 2009, a 1.7-mile extension from Tukwila to the Seattle-Tacoma International Airport will open. Please see the inside cover and page 27, or pick up the Central Link rider's guide for service details.

### **New bus service brought to you by Proposition 1**

New resources made available by the voter-approved Proposition 1 in November 2008 (known as Sound Transit 2) are now being applied to some of Sound Transit's most popular ST Express bus routes. Effective with this June service change, new trips are available on ST Express Routes 510, 511, 513, 522, 532, 535, 545, 550, 555 and 556. Please see the June 2009 service change brochure for service details.

### **ORCA is here!**

Say hello to the ORCA card, and say goodbye to paper passes, transfers, tickets and exact change.

ORCA (One Regional Card for All) uses smart card technology to automatically account for different fares and transfers on Community Transit, Everett Transit, King County Metro Transit, Kitsap Transit, Pierce Transit, Sound Transit and Washington State Ferries.

Add value to your ORCA card online, over the phone, by mail, at participating retail and ORCA customer service locations, or at ticket vending machines on rail station platforms.

With an ORCA card you can add value to the same card for several years. So ORCA is smart for the environment too.

Visit us online at [www.orcacard.com](http://www.orcacard.com) for more information, or contact ORCA Customer Service, Monday through Friday, from 8 a.m. to 5 p.m. by calling 1-888-988-6722/TTY Relay: 711. Non-English interpreter services are available at 1-800-823-9230. If you currently receive a transit benefit from your employer or other organization, ask them how to get an ORCA card.

# How to use ORCA

**ORCA** is your pass or cash fare

**Use ORCA** to pay your fare on public buses, trains or ferries—transfers are easy!

**Trains:** Tap before you board.  
Tap again after you exit.

**Buses:** Tap at the farebox.

**Keep your card!** It's easy to add value to your ORCA card.

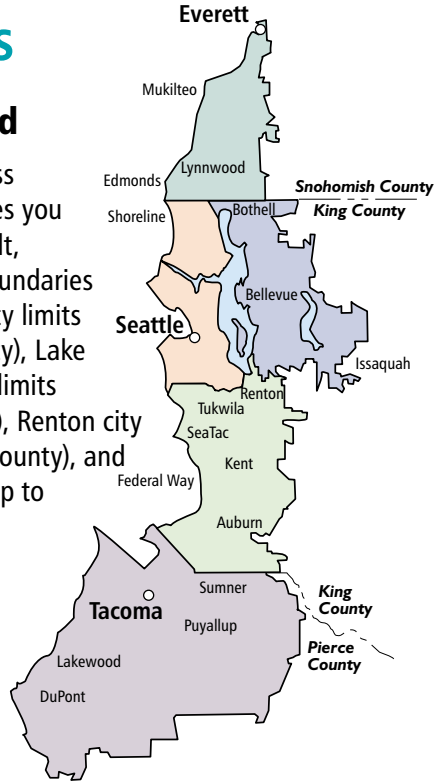

# Fares & passes

## ST Express fare, zone based

The cost of riding Sound Transit Express buses is based on how many fare zones you travel through and your fare type (adult, youth or senior/disabled). The zone boundaries are: Snohomish County line, Seattle city limits (between North and South King County), Lake Washington and Lake Forest Park city limits (between North and East King County), Renton city limits (between East and South King County), and the Pierce County line.

Bus fares can be paid in cash at the farebox or by using an ORCA card, PugetPass, FlexPass, U-Pass, or GoPass. Drivers carry no change – please have exact fare. Follow the driver’s direction to pay when you enter or leave the bus.

## Link light rail (Tacoma Link) fares

Tacoma Link light rail is free. No fare required.

## ORCA card

Whether you are an occasional rider, make a round trip each weekday, or use Sound Transit's services several times a month, consider the convenient and money-saving ORCA card. You can use your ORCA card as a pass on all regional buses and trains or load your card with an E-purse, which is stored value that works similar to cash.

ORCA is accepted on Sound Transit buses and trains and on Community Transit, Everett Transit, King County Metro Transit, Kitsap Transit, Pierce Transit and Washington State Ferries.

### **There are three different ways to use your ORCA card:**

#### **Put money into your ORCA card E-purse**

An E-purse is a stored value used just like cash to pay your bus or train fare. The fare due for your ride will be deducted from the E-purse on your ORCA card, allowing you to "pay as you go." The E-purse may also be used in combination with a pass. With an ORCA card, transfers between buses and trains are automatically calculated, and balances applied to the connecting trips, so paper transfers are no longer needed.

#### **Use your ORCA card like a Regional Pass (PugetPass)**

A regional pass lets you travel on all bus and train services in the region for a specific period of time. An ORCA regional pass works like a monthly PugetPass and is valid on Community Transit, Everett Transit, King County Metro Transit, Kitsap Transit, Pierce Transit and Sound Transit. The pass is valid for payment of trip fares up to the value of your pass.

Choose the pass value on your ORCA card based on the price of the trip you are likely to take, based on age, zones or distance. You can add a monthly pass in all denominations listed on page 10.

#### **Use your ORCA card for a specific transit agency**

Some transit agencies offer passes or products that cover multiple rides on their agency's transit services. These may include multi-ride products or agency-specific monthly passes that are only valid on the agency services for which the pass was purchased.

For complete information about ORCA, visit [www.orcacard.com](http://www.orcacard.com) or call 1-888-988-6722/TTY Relay: 711 during regular business hours. If you currently receive a transit benefit from your employer or other organization, ask them how to get an ORCA card.

## PugetPass

PugetPass is accepted on Sound Transit trains and buses, Community Transit, Everett Transit, King County Metro, Kitsap Transit and Pierce Transit. Purchase a PugetPass for the amount that has the “per-trip value” of the trip you are likely to take. For information about PugetPass, call 1-888-889-6368/TTY Relay: 711.

## How to use PugetPass or ORCA

### On ST Express bus

#### Using an ORCA card to pay your fare

Tap your card at the card reader located next to the bus driver. If the bus fare is higher than the pass value of your ORCA card, you must pay the difference using your ORCA card E-purse or cash.

#### Using PugetPass

Swipe your PugetPass through the farebox or show your PugetPass to the driver as you board or leave the bus as directed by the driver. If the bus fare is higher than the face value of your PugetPass, you must pay the difference at the farebox using cash.

### On Sounder and Central Link

#### Using an ORCA card

Tap your card at the card reader located on the train platform before boarding the train. Present your valid ORCA card to the conductor or fare inspector upon request. When exiting, tap your card at the card reader at the station to complete your transaction and to ensure the correct fare is deducted.

As with all passes, if the per-trip value of that pass does not match the cost of the fare for your trip, you must purchase a pass upgrade at the ticket vending machine prior to boarding or the difference can be paid with your ORCA card E-purse when you tap off. The upgrade will need to be shown to the inspector along with your pass.

#### Valid passes on Sound Transit trains and buses

Other passes with the Sound Transit logo are honored for face value toward any fare on Sound Transit trains and buses. The U-Pass and Microsoft employee IDs are valid for full fare on Sound Transit trains and buses, as well as a PugetPass, FlexPass or GoPass with a face value of \$4.75. If the face value of your pass or the per-trip value of your ORCA card is less than the actual fare of the trip, you must pay the difference.

NOTE: King County Metro's Regional Reduce Fare stickers and Access passes are valid for fare on Central Link.

## **Ticket vending machines (TVM)**

Train fare or an ORCA card is available at the ticket vending machine at the train station. The TVM accepts cash, debit, MasterCard or VISA. Please allow extra time to purchase your fare before the train departs.

### **TVM fare options:**

**Get an ORCA card** – You can purchase an ORCA card with a monthly pass or an E-purse (stored value that works similar to cash). See ORCA card on page 9.

**Add value to an ORCA card** – If you have an ORCA card, you can add value as a monthly pass or as an E-purse (stored value that works similar to cash). See ORCA card on page 9.

**Single trip** – One way ticket valid on date/time of purchase; may be used as a bus transfer up to two hours from time of purchase.

**Roundtrip** – Day Pass valid all day on the date of purchase.

**Advance tickets** – Purchase a Day Pass up to 14 days in advance. Use arrow button to advance date. NOTE: Riders are not able to purchase one-way, single trip tickets in advance.

**Souder event tickets** – Event tickets may also be purchased in advance by selecting the special event train date. The ticket is valid only on the date selected. An event ticket can also be purchased on the day of travel as a Day Pass (round trip) or a single trip (one way).

**Multiple tickets** – Purchase multiple tickets of different fare types in one transaction, provided they are the same distance trip.

**Monthly pass** – Valid for the calendar month; may be purchased from the 15th of previous month to the 14th of valid month. Example: A July pass may be purchased from June 15th to July 14th and is valid July 1 – 31. You can not purchase the current month's pass after the 14th.

There are no refunds or replacements on TVM-issued tickets.

## Transfers

An ST Express bus transfer is issued upon request when paying with cash or tickets. A rider paying cash to upgrade their pass is also eligible for a transfer. No transfer is issued when using only a pass to pay the fare. The ST Express transfer will be punched based on the number of fare zones paid (one, two or three zones). If you use an ORCA card, the full transfer value is held on the card and will apply to the next bus or train you board within the two-hour transfer time.

### **Partner agency transfers on ST Express**

Valid transfers from Community Transit, King County Metro and Pierce Transit are accepted on ST Express as a one-zone ST Express fare (Adult \$1.50, Youth \$1.00, Senior/Disabled \$0.50).

### **ST Express transfers on partner agency service**

Valid transfers from ST Express are accepted on Community Transit and Pierce Transit for a local fare. King County Metro accepts ST Express transfers as a one-zone fare.

### **Sounder or Central Link single-trip tickets on bus service**

A Sounder or Central Link single-trip ticket is valid for face value on ST Express buses. A Sounder or Central Link single-trip ticket or fare upgrade is valid for a one-zone fare on King County Metro and a local fare on Community Transit and Pierce Transit. The transfer ticket must be used prior to its expiration time.

### **Bus transfers on Sounder or Central Link**

Bus riders who pay cash or use a bus ticket may obtain a paper transfer from the bus driver to use toward a train fare. Valid bus transfers from Community Transit, King County Metro and Pierce Transit are valid as one-zone bus fare (Adult \$1.50, Youth \$1.00, Senior/Disabled \$0.50) toward a train trip. An ST Express bus transfer is worth the full value of the fare paid, and can be applied to your train fare. Transfers are punched as one-, two- or three-zone fares.

Valid bus transfers must be upgraded to a full train fare at the station's ticket vending machine (TVM) prior to boarding the train. Select "transfer upgrade," select "transfer type" and insert payment. Ticket will print to equal the full train fare. Keep both the transfer and the upgrade ticket from the TVM as proof of payment.

## Bus tickets

Sound Transit does not have a regional bus ticket program – bus tickets issued by Community Transit, King County Metro and Pierce Transit are valid only on the ST Express routes each agency operates. For example, a King County Metro bus ticket is not valid on Route 510 because that route is operated by Community Transit.

- Community Transit (and Everett Transit) tickets are only valid on ST Express routes operated by Community Transit (510, 511, 513, 532, 535).
- King County Metro tickets are only valid on ST Express routes operated by King County Metro (522, 540, 545, 550, 554, 555, 556, 560, 564, 565, 577).
- Pierce Transit Seattle Express and local tickets are only valid on ST Express routes operated by Pierce Transit (574, 578, 582, 586, 590, 592, 593, 594, 595). Pierce Transit local tickets are valid for one-zone fare.

Bus tickets are not valid on Sounder commuter rail, Central Link light rail or ST Express Route 599.

### Regional Reduced Fare Permit

Senior citizens (age 65 or older) and persons with disabilities may ride the bus or train at a reduced rate with a valid Regional Reduced Fare Permit (RRFP). On the bus, the permit is required when paying the reduced fare. On the train, the conductor will ask you to show the permit when inspecting passes and tickets. A RRFP used alone is not valid for fare payment on any Sound Transit service.

One personal care attendant (PCA) may ride for free but must board and leave with the reduced fare passenger. In addition, the reduced fare passenger must possess a RRFP with “PCA” indicated.

### Senior/disabled fare permanent permit eligibility requirements

- sixty-five years of age or older; or
- currently certified by the Veterans Administration at a 40 percent or greater disability level; or
- possess valid Regional ADA paratransit card; or
- possess an obvious physical impairment(s) meeting the medical criteria for the program; or

- have certification from a physician, psychiatrist, psychologist, advanced registered nurse practitioner, physician assistant or audiologist as meeting one or more of the medical criteria established for this program.

### **Temporary permit eligibility requirements**

- currently eligible for Social Security Disability benefits (SSDI) or Supplemental Social Security (SSI) due to a disability; or
- possess valid Medicare card from Social Security Administration; or
- possess valid ADA paratransit card from outside the region; or
- currently participate in a vocational career program with the Washington State Individual Education Program (IEP).

Visit your local transit agency to obtain a RRF. Senior citizens need to bring proof of age (65 or over); a person with a disability needs to provide a valid Medicare card or proof of qualifying condition. The permit is \$3.

### **Ride Free Area**

You can ride for free on any Community Transit, King County Metro or Sound Transit bus within downtown Seattle's Ride Free Area (RFA) between 6 a.m. and 7 p.m. You do not pay when you board the bus inside the RFA; fares will be collected when exiting the bus outside the RFA. The operator will announce the last stop in the RFA. Some buses from Snohomish or Pierce counties may not make stops in the Ride Free Area if they are not dropping off passengers.

**The RFA does not apply to Central Link. The RFA boundary is shown on the downtown Seattle map at the back of this guide.**

### **Law enforcement officers**

On ST Express services operated by Community Transit and King County Metro, all commissioned police officers employed by law enforcement agencies in our service area can ride free, at anytime, by displaying a police badge or police identification card. On ST Express services operated by Pierce Transit and on Sounder commuter rail, all commissioned police officers employed by law enforcement agencies in our service area can ride free when in uniform. Officers who are not in uniform are not entitled to a free ride and should purchase a ticket or pass.

## Accessibility

### **Accommodations for people with disabilities**

To request accommodations for persons with disabilities on any Sound Transit Service call 1-800-201-4900 / TTY Relay: 711 or e-mail [accessibility@soundtransit.org](mailto:accessibility@soundtransit.org).

### **Citizens' Accessibility Advisory Committee**

Sound Transit's goal is to improve and provide comprehensive and reliable accessible transit services to all who live in the service area. Through work with its Citizens' Accessibility Advisory Committee, Sound Transit is committed to designing services that are simple and safe for all, including seniors and persons with disabilities. The group meets monthly at Sound Transit in Union Station, downtown Seattle.

### **Priority seating**

Designated seating is available on ST Express, Sounder, Link light rail and Tacoma Link services for senior citizens or riders with disabilities. If other passengers are using these seats, the operator or conductor will politely ask them to move.

### **Regional Reduced Fare Permit**

Using a Regional Reduced Fare Permit, people with disabilities can ride ST Express and Sounder services at a reduced rate. See page 14 for complete eligibility requirements.

### **Service animals**

Service animals are permitted on all Sound Transit vehicles. In accordance with Federal Regulations, riders with service animals must have complete control of the animal while on board the vehicle, either through use of a leash or a pet container. If the rider does not maintain control or if the service animal is deemed to be a danger to others, the rider may be asked to leave the vehicle. There is no additional charge for bringing a service animal on a Sound Transit vehicle.

### **Travel training**

Sound Transit provides travel training on how to use Sound Transit services for people with disabilities and seniors. For more information e-mail [accessibility@soundtransit.org](mailto:accessibility@soundtransit.org) or call 1-800-201-4900/ TTY Relay: 711.

## Paratransit services

Tacoma Link paratransit services are provided by Pierce Transit. To obtain eligibility information for Pierce Transit's SHUTTLE call 253-984-8216.

## FindARide.org

Visit FindARide.org for information regarding special needs transportation options covering King, Pierce and Snohomish counties.

## Sounder commuter rail

Sounder trains, stations and platforms are accessible for riders with disabilities, seniors, those traveling in wheelchairs, scooters or with young children in strollers. Each car has a wheelchair area and accessible restrooms.

For assistance boarding the train, wait at the top of the accessible ramp located on each platform. The train conductor will deploy a boarding ramp to help riders safely board the train. Board the train only when the boarding ramp is in place.

## Link light rail

### Central Link

Each Link car has two designated wheelchair areas per vehicle. Because the Link ride normally is so smooth and steady, there is no need for wheelchair securements. Just roll to the designated wheelchair area and set the brakes on your mobility device.

Link trains feature level boarding. This means you board directly from the platform without climbing steps or using a lift or ramp. The small gap between the platform edge and the train floor is small enough to safely roll past or step across.

Link trains have operators; however, unlike Sounder trains or ST Express buses the operator is in the train's cab and is unavailable to assist passengers while boarding or de-boarding.

To know where the car doors will open on the platform, stand on the six-foot-by-six-foot square of ribbed tactile pavers and there will always be a door directly in front of you when the train stops. Blind riders should always use their other travel skills to verify that the area in front of them is the entrance to the vehicle.

If you have a disability that prevents you from riding Link, you may be eligible for paratransit services. King County Metro provides these services to Link riders. For more information, call Metro's Accessible Services office during regular weekday business hours at 206-263-3113/ 1-866-205-5001/TTY Relay: 711. You can also reach Accessible Services by fax at 206-205-6490 or by e-mail at [accessible.services@kingcounty.gov](mailto:accessible.services@kingcounty.gov).

## **Tacoma Link**

Link stations and platforms are accessible for riders with disabilities, seniors, those traveling in wheelchairs or scooters. Each car has two accessible seating areas.

- Link trains are fully accessible and riders can move directly from the platform onto the train without using a lift or ramp.
- Once on board, locate the reader boards or listen for the audio announcements, which indicate next station stops.
- All upcoming station stops are announced on the train. Trains stop at all stations so you don't need to signal the driver to get off.
- Operators are trained and available to help riders upon request.

## **Boarding the train**

- Wait in view of the Link train operator.
- Look for the accessibility symbol on the door equipped with a bridge plate.
- Press the blue button to deploy the bridge plate. If the doors are already open, they will close and then the bridge plate will deploy.
- Wait for the bridge plate to deploy, and then board.
- When train doors close, Link must depart.

## **On board the train**

- Each car has two accessible areas.
- In case of emergency, use the intercom to contact train operator.
- Push on the bridge plate request strip prior to your destination.

## **ST Express regional bus**

ST Express buses are fully accessible. Buses are equipped with ramps or wheelchair lifts. Operators are trained and available to help riders upon request and will call out stops along the route to help you get to your destination. Contact your local transit agency to learn how you can practice riding ST Express bus and receive more information about routes and schedules (see page 152).

# Safety

## Link light rail safety

### Walking, driving or bicycling

- Never race a train or try and beat it at an intersection.
- Trains are electric and very quiet and you may not hear them coming.
- Look both ways. Trains travel in both directions on any track. After a train passes, another train may be coming from the opposite direction.
- Do not walk, stand or park a vehicle on the tracks. Trains can show up at any time.
- Keep away from track or rail switches; switches can move at any time even when the train is not in the area.
- Stay alert when you exit the station; watch out for other trains, cars and trucks.
- Stop and wait for the train to pass when the “train sign” flashes.
- Obey all traffic signals and all street signs.
- Make left or U-turns only at authorized intersections.
- Cross tracks only at designated crossings.
- Wait until you are in the intersection to turn left or right.

### On the train

- Stand back while the train doors open and close.
- Use handrails.
- Watch your step—especially in cold or wet weather.
- Allow disabled passengers priority seating.
- Wait for Link trains at designated stations only.

### On the platform

- Do not dart in front of the Link train.
- Always stand behind the tactile yellow warning strip at station platform.
- Do not attempt to hail Link trains from areas not designated as stops.
- Do not attempt to hail Link trains after their doors have closed and they have departed the station.

## Sounder commuter rail safety

### Walking, biking or driving

- Never race a train; they are moving faster than you think. Passenger trains can operate at speeds of up to 79 miles per hour. Even in a tie you'll lose.

- Obey warning signs and wait until the crossing gates open before proceeding across the tracks.
- Trains cannot stop quickly. Even if the engineer sees you, a train moving at 55 to 79 miles per hour can take a mile or more to stop once the emergency brakes are applied.
- Never trespass on train tracks or walk on train tracks as a short cut. Only cross a train track at a designated public crossing.
- Never cross between, under or walk around a parked train.

### **On the platform**

- Stay behind the warning strips located at the edge of all Sounder station platforms at all times.
- Hold small children by the hand and keep them back from the tracks. Some trains pass through Sounder stations at high speeds without stopping.
- Look both ways before crossing the tracks, even after the signals stop and the gates come up.
- In case of emergency, contact the security officer or station agent on duty.

### **On the train**

- Never attempt to exit a moving train.
- Hold on to handrails and watch your step.
- Let passengers exit before boarding the train.
- Clear the doors completely when boarding or exiting.
- Do not block seats or aisle with belongings.
- In case of emergency, contact the conductor or press the Emergency Call button located in each car.
- No running on board the train.
- No hazardous, explosive or corrosive materials allowed.

### **ST Express bus safety**

- Never attempt to board or exit a moving bus.
- Buses will not stop once they leave a bus stop.
- Allow passengers to exit the bus before you board.
- Keep the aisles clear of packages and personal items.
- As you leave the bus watch for other motor vehicles.
- Wait for bus to pull away before crossing street.
- Wait only at designated bus stops.
- Do not attempt to hail a bus from an area not designated as a stop.
- Do not run after a moving bus.

## Bike information

Riding your bike is easy and convenient with Sound Transit. Sounder trains, ST Express buses and Link trains have simple and accessible bike racks or bike tie-downs. Some Sound Transit facilities even have bike lockers. Best of all, Sound Transit will transport your bike at no extra cost to you.

### Sounder commuter rail

Each Sounder car is equipped with tie-downs for two standard-sized bikes and no more than two cyclists may stand in the vestibule area next to the doors. To locate the proper area for bike storage, board the car at the doors marked with a bike symbol. Bike storage is immediately inside the marked doors and is allocated on a first-come, first-serve basis. You must remain with your bike if it cannot be secured. Your bike may need to be moved to make room for a senior or rider with a disability. Please walk your bikes off the platform, as riding in these areas is not allowed.

### Link light rail

#### Central Link

Each Link car has two hooks for hanging bikes. The first two riders with bikes should hang their bikes on these hooks. To locate the proper area for bike storage, board the car at the doors marked with a bike symbol. Please walk your bikes off of the platform, as riding in these areas is not allowed.

Link stations (with the exception of Stadium Station and the Downtown Seattle Transit Tunnel) have bike lockers and racks available.

#### Tacoma Link

Bikes are welcome on Link, but riders should allow other passengers to exit and enter the train first. While riding Tacoma Link, please remain with your bike at all times and do not block stairs or aisles. Yield priority-seating to passengers with disabilities and to senior citizens. Once off the vehicle, please walk your bike off the platform.

The train operator may require bicyclists to wait for the next train if the cabin is at capacity. However, Tacoma Link trains conveniently run every 10 to 20 minutes.

## **ST Express regional bus**

ST Express buses feature racks mounted on the front of the bus and have room for two or three bikes. Bikes must be placed on the rack by the rider, but drivers are trained and can assist riders if necessary. Upon reaching your destination, please exit using the front door and notify the operator you are unloading your bike before disembarking.

Bikes are not allowed inside ST Express buses unless they are collapsible (folding). Folded bikes are allowed on ST Express buses if they do not block the aisle and do not take up space needed by other riders.

### **Ride Free Area**

Bikes may be loaded/unloaded at any stop within the Ride Free Area in Downtown Seattle (see map of RFA on back flap) during off-peak hours. During peak-commuting hours (6 – 9 a.m. and 3 – 7 p.m.) bikes must be loaded/unloaded at the first and last stops of the RFA.

### **Bike lockers**

To reserve a bike locker at Sounder stations, Central Link stations, DuPont Station, Federal Way Transit Center, Overlake Transit Center or Eastmont Park-and-Ride call Sound Transit at 1-888-889-6368. There is a \$15 non-refundable maintenance fee. Your locker will be reserved for up to one year. Bike lockers at the Tacoma Dome Station are handled by Pierce Transit. Call 253-581-8000 or 1-800-562-8109 for details.

## **Adverse weather or emergency**

Please visit [www.soundtransit.org/service\\_interruption](http://www.soundtransit.org/service_interruption) for planned bus reroutes and for back-up bus service should the Sounder Commuter Rail not operate. Sound Transit will do its best to get you to and from your destination safely.

# Ride out the recession

## Take Sound Transit for a year. Save more than \$10,000.

"Really," you ask? Well, both the American Public Transportation Association and AAA say Puget Sound area drivers can save more than \$10,000 a year in gas, maintenance and other expenses just by riding transit. That's a nice chunk of change for a rainy day. Or even a sunny one for that matter. Along with creating your own little economic stimulus package, you'll be saving the environment—and your sanity too. That's a "three-fer." So why not give Sound Transit a try? It's one very comfortable way to ride out the recession without having to resort to a mac-and-cheese diet or do-it-yourself haircuts. For schedules, routes and fare information, visit [www.soundtransit.org](http://www.soundtransit.org) or call 1-888-889-6368/ TTY Relay: 711.
